

SEAT PLAQUE DEDICATIONS

The Cinema Arts Centre is replacing the seats in two of our theaters, and we'd like to invite you to be a physical part of the Cinema by placing a custom plaque on one of our seats. Your message will be a highly visible part of these theaters for the full life of the seats, and is a great way to make your mark on the Cinema! Seat plaques won't save your seat for you, but they do show how much you care about our Cinema community, and seeing yours can enrich your visits to the CAC! Plaques will be installed up completion of seat replacement in 2019.
